### Location/Contact

We are moored at Fishermans Beach, The Haven, Terrigal. This is located at the south end of Terrigal Beach where you will see the boats moored. You can view the interactive Google map here. We pick up from the boat ramp at The Haven. If you are waiting at the fish cleaning table, you will see Paul waiting at the bottom right hand side of the ramp with the tender to take you out to the boat.

No unlisted/private numbers please - due to the huge number of telemarketing calls we receive; we do not answer these.

Please ensure your contact mobile phone is turned on the evening before and the morning of the charter in case we need to contact you. We will call you if there is a problem with the weather as early as possible. If you need to know earlier, please contact Paul to discuss. The weather issues at 4.15am most days.

### What to bring

Hat, sun cream, sunglasses, plastic esky with your food & drinks. Alcohol is to be in moderation only. We clean the fish and keep them on ice during the day. You take your fish home in your esky. Wear clothing appropriate for the weather. You are welcome to bring your own fishing gear if you wish. If you suffer from sea sickness please consult your medical practitioner for advice. Many of our passengers have indicated ginger tablets do not work. We do not return to shore for sea sickness as this impacts on other people who have booked their day out.

### Payment/Cancellations

Bookings are essential. All charters are to be paid for at the time of booking. You may pay by:

Credit card:                    Please phone your details through. Alternatively, you may leave your credit card details as a guarantee and pay cash on the day. Please note if you have provided your card as a guarantee for your group it will be charged if they don't turn up. If you book the charter, we recommend you collect your group's money up front.

Cheque/Money Order:        Must be received in enough time to clear prior to the charter.

All charters are subject to weather and vessel availability. If a charter is cancelled due to weather or unforeseen circumstances, there is no charge. If you need to cancel a charter, please let us know 14 days beforehand. If you cancel less than 14 days before the date of your charter, there is no refund unless we can replace the booking or weather would have stopped it occurring anyway. Any refunds will be by the same method of payment. If a voucher was used for a booking it will be forfeited if you cancel or do not show.
